2022/2023

The International Baccalaureate (IB) is a global leader in international education—developing inquiring, knowledgeable, confident, and caring young people. Our programmes empower school-aged students to take ownership in their own learning and help them develop future-ready skills to make a difference and thrive in a world that changes fast.

The Primary Years Programme is designed for students aged 3 to 10 years. It focuses on developing the whole child as an inquirer both in the classroom and the world outside

The Middle Years Programme is designed for students aged between 11 -16 as part of the International Baccalaureate continuum.

The Diploma Programme is design for students in grades 11 and 12. It is a comprehensive two-year program within the IB framework.
