

H·I·S
HARARE INTERNATIONAL SCHOOL

Welcome to our Boldly Diverse Learning Community

Founded in 1992, Harare International School is an International Baccalaureate World School located in Mount Pleasant, Harare. Home to many expert and local families our student bodies compresses of over 40 nationalities

We Are A Boldly Diverse Learning Community that Inspires Curiosity Embraces Challenge Nurtures Personal Growth.

The **Primary Years Programme** is designed for students aged 3 – 10 years. It focuses on developing the whole child as an inquirer both in the classroom and the world outside.

Six transdisciplinary themes of global significance are the cornerstones of the PYP.

These are explored and developed using knowledge, skills, action, concepts and action as well as transdisciplinary skills connected to six subject areas.

The **Middle Years Programme** is an educational programme for students between the ages of 11 to 16 as part of the International Baccalaureate continuum.

The programme empowers students to inquire into a wide range of issues and ideas of significance locally, nationally and globally. The result is young people who are creative, critical and reflective thinkers.

The **Diploma Programme** is designed for students in grades 11 and 12. It is a comprehensive, two-year program within the IB framework.

Through the Diploma Programme (DP) core, students reflect on the nature of knowledge, complete independent research and undertake a project that often involves community service.

IB learner profile

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

As IB learners we strive to be:

INQUIRERS

We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

KNOWLEDGEABLE

We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

THINKERS

We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

COMMUNICATORS

We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

PRINCIPLED

We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

OPEN-MINDED

We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

CARING

We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

RISK-TAKERS

We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

BALANCED

We understand the importance of balancing different aspects of our lives—intellectual, physical, and emotional—to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.

REFLECTIVE

We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

The IB learner profile represents 10 attributes valued by IB World Schools. We believe these attributes, and others like them, can help individuals and groups become responsible members of local, national and global communities.

Co-curricular

Co-curricular activities are an essential part of our Community. We offer a variety of options to cater to our boldly diverse student body.

Each student is given the opportunity to shine be it through STEM, Module UN, Basketball or our famous unique Gladiators.

ISSEA

International Schools of Southern and Eastern Africa (ISSEA), is the organization that governs inter school varsity athletics and activities.

Through ISSEA, Harare International School Community partake in the following activities with other International Schools in the region:

- Basketball
- Soccer
- Volleyball
- Cultural Conventions in Band
- Choir
- Drama
- Visual Arts
- Math competition
- Science
- Technology
- Engineering
- (STEM) festival
